Policy 516
Wildfire Mitigation Plan

SUBJECT:

Wildfire Mitigation Plan (WMP)

OBJECTIVES:

To adopt plan to mitigate the chances of wildfire that could be caused by MYEC infrastructure.

POLICY:

MYEC will:

- A. Adopt a fire mitigation plan in accordance with best practices.
- B. Review of WMP:
 - 1. An annual review by management and staff to update and enhance procedures or practices related to fire mitigation.
 - 2. Management will update the board of directors annually of updates or changes to the WMP.
 - 3. Management will report any incidents, action taken, or changes made to the WMP, to the board of directors.
